

***Outstanding Selection of the Best Brands in Golf***

We are committed to providing you with an outstanding selection of golf's best brands! No other golf retailer in Utah has more of the inventory you want in stock.

***Get Clubs That Fit YOUR Swing***

Most of our competitors treat club fitting as a sort of "premium service" that requires an additional fee. At Uinta Golf, we believe that getting fit is just part of buying your clubs! Our team of Club Fitting Specialists is trained and ready to help you find the clubs that best fit your game.

We offer our basic 20 min. club fitting service at no charge. This service includes launch monitor analysis and interfaces with our proprietary club fitting system. Whether you decide to buy from us or not, you'll walk out of the store with a detailed analysis and final recommendation.

Extensive club comparisons that exceed 20 min. are available for a small fee that can then be applied toward your purchase.

***Get the RIGHT Answers to Your Toughest Questions***

We put all of our Club Fitting Specialists through a rigorous and ongoing training program so you don't get a lot of "blank stares" or "deer-in-the-headlights" looks when you ask them questions about golf equipment.

To start, all of our Club Fitting Specialists are accomplished and/or avid players. Each completes an extensive certification program that takes them between 10-14 days. In addition, we submit our Club Fitting Specialists to ongoing training, testing, and manufacturer certifications so they are always on top of their game.
